Come worship with us. We believe there is One God who created the earth and all that exists. We believe that his son is Jesus of Nazareth and that He came to earth to live and die for the sin of all mankind. We believe the Bible is the inspired word of God and preach and teach it as our guide to Jesus who is the bread of life here and hereafter. We invite you to worship with us. Join us as we raise our hearts and voices in praise to God and lift up the name of Jesus as His son and Lord of our lives.

CRY GLORY!

The voice of the LORD is over the waters; the God of glory thunders, the LORD thunders over the mighty waters. The voice of the LORD is powerful; the voice of the LORD is majestic. The voice of the LORD breaks the cedars; the LORD breaks in pieces the cedars of Lebanon. He makes Lebanon skip like a calf, Sirion like a young wild ox. The voice of the LORD strikes with flashes of lightning. The voice of the LORD shakes the desert; the LORD shakes the Desert of Kadesh. The voice of the LORD twists the oaks and strips the forests bare. And in his temple all cry, "Glory!"

Psalm 29:3-9 (NIV)

UPDATE

Cliff Friis: The father of Heather Realmonte’s co-worker Wendy underwent a nine and one-half hour surgery. The doctors are optimistic they were able to remove all the cancer and look for a complete though lengthy recovery. Wendy expressed their appreciation for all the prayers on their behalf.

Ann Barwick: Ann returned home Thursday and Morris reports she is doing great. (Morris, however, is having trouble adjusting to supervision and accountability.)

GRIEVING

Jennifer Haston: We learned last week that the cancer had returned. This time it appeared in Jennifer’s brain. She passed away on Monday the 19th. Our prayers go out for Cleo and the children and their families. Jennifer was so appreciative of all the prayers offered on their behalf during all the illness they have experienced in recent years.

Do You Really Need More Laws?

The man who asked, “Who is my neighbor?” wanted more laws, more rules. He wanted to be sure he knew exactly who he had to care for and whose need he could ignore. Are we like that? Tell me exactly what I have to do, how much I have to give, exactly how must I worship (and how often). It would seem laws are for the lazy. Those who love God with all their hearts and love their neighbor (whoever and where ever they are) as them self are always looking for how much more they can do and give and worship -- not how little. What do you need? More laws and rules or more opportunities?
